TASK 4

Peripheral picture challenge

Name each peripheral, then classify it as an input, output or storage device.

a) NAME

mouse

TYPE

input

b) NAME

webcam

TYPE

input

c) NAME

external hard dri

TYPE

storage

d) NAME

keyboard

TYPE

input

e) NAME

monitor

TYPE

output

f) NAME

router

TYPE

input/output

g) NAME

speakers

TYPE

output

h) NAME

graphics tablet

TYPE

input

i) NAME

usb drive

TYPE

storage

j) NAME

projector

TYPE

output

k) NAME

printer

TYPE

input/output

l) NAME

headset

TYPE

output/input

TASK 5 Complete the reviews
