📱 App Presentation Project Template

This template will guide you in creating your presentation. Fill in each section with information about your chosen App. Add **images, logos, screenshots, videos, or ads** to make it more creative and visual.

Slide 1: Title

- Name of the App
- Logo / Image
- Group members' names

Slide 2: Description

- What is the App?
- Short introduction (2–3 sentences)

Slide 3: Main Features

- List the most important functions (at least 3–4)
- Add icons or screenshots

Slide 4: Purpose

- What is it used for?
- Who uses it? (teenagers, professionals, everyone...)

Slide 5: Popularity

- Number of users worldwide
- Countries or regions where it is most popular
- Visual: graph, map, or statistics

Slide 6: History / How it was created

- Who created it?
- When and where was it created?
- Why was it created?

Slide 7: Current Success

- Is it still popular today?
- Any special achievements, partnerships, or impact?

Slide 8: Conclusion

- What does this App contribute to society?
- Why did you choose it?
- Personal opinion (at least 3–4 sentences)

Slide 9: References (Optional)

- Sources of information (websites, articles, etc.)
